

Individual Study/Research

STUDENT INFORMATION		
Last Name	First Name	St. Thomas ID

TITLE OF PROJECT (maximum of 30 characters including spaces)

INDIVIDUAL STUDY				
Note: Individual Study is a course taken for credit, requested by the student, to be taught under the direction of a faculty member, to study a topic/area not addressed by current course offerings.				
Year:	J-term	Spring	Summer	Fall
Department:				
Course Number:	243	393	495	Credits: 2 credits 4 credits

RESEARCH				
Year:	J-term	Spring	Summer	Fall
Department:				
Course Number:	269	389	491	Credits: 2 credits 4 credits

CHOICE OF GRADING SYSTEM			
The grading for individual study/research may be Standard (A, B, C, etc.) or Pass/Fail (S-D-R). Major field, minor field and core curriculum courses must be graded using the standard system. This course will be used to fulfill:			
Major Requirement	Minor Requirement	Core Curriculum Requirement	Elective Credit
I elect the following grading system for this course:		Standard	Pass/Fail (select one option below)
Option 1	Grade of "D" = "R" (R = unsatisfactory; the course will not factor in your GPA and will not count toward degree requirements.)		
Option 2	Grade of "D" = "D" (The course will be factored in your GPA.)
